

# CASE OF DR. DIAZ.

The Reverend Gentleman Being Well Treated by the Spanish.

HE IS NOT IN MORRO CASTLE.

He Will Be Given Speedy Trial and His Prompt Release Will Follow.

It Is Believed—Washington News Notes.

WASHINGTON, D. C., April 22.—(Special.)—The case of Rev. Dr. Diaz, who is a missionary of the Southern Baptists in Cuba, and in whose behalf Senator Martin yesterday called on Secretary Olney, at the instance of the Baptists of Richmond and Petersburg, excites peculiar interest. The first information made known of the circumstances attending the arrest and imprisonment of the great preacher reached the Capitol today. This morning, Secretary Olney sent the following official telegram to Secretary Hoke Smith, at the Interior Department, through whose courtesy it is made public. It is as follows:

"Hoke Smith, Secretary: 'The latest advices from Havana report that Rev. Dr. Diaz is detained at police headquarters. He is occupying a spacious, dry, well-ventilated room in an upper story. The proceedings in his case are being accelerated by orders from headquarters, and a result is expected in a few days. (Signed) OLNEY.'

This would seem to set at rest the published statement that Dr. Diaz is confined in Morro Castle, and is receiving harsh treatment.

As soon as the news of Dr. Diaz's imprisonment reached Washington, and before the communications from Southern Baptists came pouring in, Secretary Hoke Smith, who knows Dr. Diaz personally, had brought the matter up at a Cabinet meeting, and urged the necessity of immediate action, and an earnest effort to secure his release. From information received, which is absolutely reliable, it is learned that Senator Dupuy de Lome, the Spanish Minister, was impressed on Friday afternoon by an unmistakable telegram from the importance of urging upon Captain-General Weyler to accord Dr. Diaz the best treatment, and securing for him a speedy, as well as an absolutely fair, trial. The telegram received this morning indicates that a trial will be given, and hopes for the Doctor's speedy release are entertained here, unless the evidence against him should be conclusive, which it is not believed will be the case.

**RESOLUTION TOUCHING DR. DIAZ.**  
The Senate to-day passed a resolution, presented by Mr. Bacon, of Georgia, requesting information regarding the arrest of Dr. Diaz.

Representative Black, of Georgia, who has been actively following the case of Dr. Diaz, was at the State Department to-day, and is satisfied with the measures taken to secure the protection of the Doctor's rights as an American citizen.

These advices, Colonel Black says, show that Dr. Diaz's personal comfort is being looked after, and active steps have been taken by our consular officers to force an immediate determination of the preliminary trial or investigation of the charges made against him. Colonel Black, of course, has no means of ascertaining anything concerning the specific charges, or the evidence against him, but believes, or at least, has strong hopes, that the result of the preliminary proceedings will be Dr. Diaz's complete vindication and release. Should it turn out that there was warrant for holding him as an American citizen, he would be entitled to a civil trial. The alleged charge against Dr. Diaz is said to be that of writing treasonable correspondence.

His release will depend upon his innocence, as, in case he was engaged in treason against the Spanish Government, he is liable to punishment, notwithstanding the fact that he is a naturalized citizen of the United States. His friends here are confident of his innocence of all wrong-doing. The Richmond College baseball team was defeated to-day by the Georgetown College team by a score of 16 to 13, in a hard-fought game.

**OFFER AND THE PRESIDENT.**  
Representative Otley, of Virginia, this morning called upon the President in behalf of T. F. Jameson, of Roanoke, Va., who was fined \$500 and imprisoned for six months for violation of the revenue laws. Mr. Otley presented a petition asking for a review of the fine and the release of Jameson from jail. The President received Major Otley very cordially, and in a good humor, and promised to look into the matter, and to take the necessary action.
